April 30, 1996

TO WHOM IT MAY CONCERN:

Barbara Lebo has held a part-time position as instructor of Psychology and Consumer Behaviour, Sales and Account Administration and Public Relations at the International Academy of Design for the past 5 years.

During her time at the college she has enthusiastically approached her teaching duties and shown great commitment to the learning and well being of her students both in and out of the classroom.

Barb's energy and experience in her field have been a great asset to the college.

We wish Barbara great success in her future endeavors.

Yours truly,

Bev Atkinson, Assistant Dean
