**Re: Barbara Lebo**

This letter is written to commend the efforts of Barbara Lebo who was Sales Manager for the *National*, official publication of the Canadian Bar Association, for the past three-and-a-half years. She joined the *National* when it underwent a format change from tabloid newspaper to magazine in 1992.

Barbara is the quintessential sales person - bright, energetic and highly motivated. Strongly committed to the product, Barbara shows the important qualities of loyalty, determination and enthusiasm.

We will miss her cheerful outgoing personality as well as her unfailing ability to get the job done. I have no hesitation in recommending Barbara and wish her every success in her future endeavours.

Yours truly,

Hannah Bernstein
