

HOLIDAY PARK
Resort

July 1, 1995

To Whom it May Concern:

In May of 1995, Holiday Park Resort, Canada's finest RV & Condominium property, with over 90 full and part time employees had the good fortune of having Barb Lebo provide a 2 day workshop for all our staff. In addition she specifically designed a program for our sales and marketing division.

"It's All About Attitude" and "A Plan For Success in the Nineties" was an exceptionally well presented program. It taught us things we all need to do, and recognize in ourselves, as management and as a corporation to better cope with all the stresses, and interpersonal relationships that occur in our every day working environment.

Barb was extremely entertaining, and our staff looked forward to the second day as much as the first. Her positive impact on management and staff will be with us for years to come.

I would not hesitate to have Barb for any future seminars and staff development workshops that she is providing.

Thank you Barb, you have energized our Resort and my staff.

Resortfully yours,

Dan Sigal B.Sc.,R.I.(B.C.), RRP.
