Dear Barb Lebo:

I would like to take the opportunity to thank you for your guidance and supervision during my summer internship. My experience was very rewarding, and I have gained valuable insight into the marketing industry. It was a remarkable experience that made me even more certain that I would like to pursue a career in helping the community.

You taught me so many things that went far beyond the theoretical knowledge I gained in college. The tasks I performed during my internship allowed me to learn in a real-world environment and I managed to develop my interpersonal and problem-solving skills by interacting with clients and community members.

Please find enclosed a copy of my updated resume, which includes my internship experience at your organisation. Thank you, again, for making my internship a rewarding experience. I hope to keep in touch with you and the rest of the team.

Regards,

Callii Horo
